THAT COULD BE RESOLVED IF YOU DRESSED AS A GIRL!!

PLEASE COME IF YOU CAN!!

TODAY WE'LL BE SHOOTING IN MAIJIMA CITY.

THAT'S IMPOSSIBLE.

IF ONLY THERE WAS AN OPTION TO SKIP DIALOGUE.

WHAT SHOULD I DO TO FOLLOW UP IN THE MEANTIME...

IN GAMES, GOING FROM MAX LOVE POINTS TO BEING HATED IS EITHER A GAME OVER OR VERY LONG DEVELOPMENT.

CURRENTLY, I BELIEVE THAT THE LOVE POINTS HAVE INCREASED LIKE THIS.

MAYBE I SHOULD JUST GO FIND THEM FOR NOW...

AYUMI	SHIORI	YUI	TSUKIYO	CHIHIRO

IT'S HARD TO CREATE A BIG EVENT.

NOT TO MENTION HAVING A SUNDAY DURING THE EARLY STAGE OF THE CONQUEST...

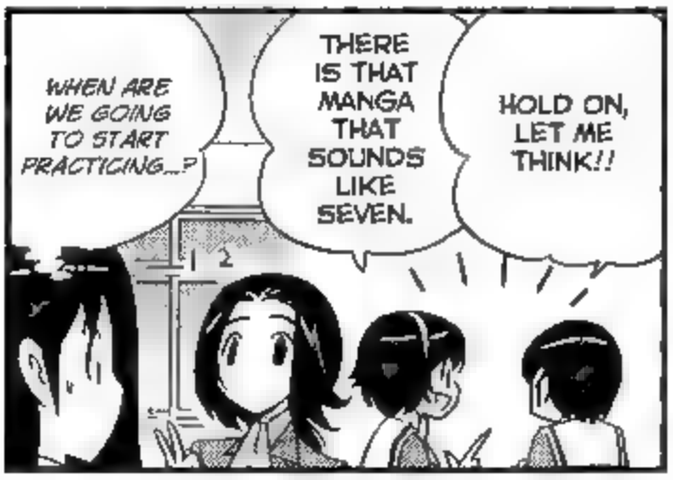
PRETTY VACANT



TL NOTE: THE WORD "SEVEN" IS PRONOUNCED AS "NANA" IN JAPANESE, WHICH IS ALSO THE NAME OF A FAMOUS SHOUJO MANGA ABOUT ROCK MUSICIANS.

ROCK BOTTOM

TL NOTE: THE WORD "SIX" IN JAPANESE SOUNDS LIKE THE WORD "ROCK"..

It's okay if I don't call it an OAD, right?

NOTE: OAD - ORIGINAL ANIMATION DVD, BASICALLY AN OVA THAT IS RELEASED AS A BONUS FOR A MANGA VOLUME.

I've never been so busy in my life.

I turned thirty-nine.

Groggy

After this OVA, TWGOK's animation team will go their separate ways.

Many things were done for me.

Song writing

Screenplay

Launch

Voice Actors

Memories

Lots of

Before I knew it, it'd already been a year and a half since I participated in the planning session.

Was allowed to contribute to the storyboard (partially)!!

To finish it off, for this OVA I...

My highest aspiration!!

So I asked them to be considerate of me...

Yippee!!

Just a name will do fine.

Taka

Director

← Casual

For a show I would need a different approach...

The return of the anguish...

OVA Anguish Monologue

← Doesn't do much in the OVA...

I've climbed the stairs of adulthood quite a lot.

By Tsuiki Wakaki

01 NOTE: A NAME IS A ROUGH SKETCH OF A MANGA THAT SHOWS HOW THE FINAL PAGE IS GOING TO LOOK. BAKUMAN READERS SHOULD BE FAMILIAR WITH THIS.

NOTE: WAKAKI MAKES A REFERENCE HERE TO THE SONG "STAIRS OF ADULTHOOD" WHICH TALKS ABOUT OVERCOMING THE MANY OBSTACLES THAT YOU MUST SURPASS IN ORDER TO BECOME AN ADULT.

NOTE: THE UDX IS A BUILDING IN AKIHABARA WHERE THE EVENT TOOK PLACE.

A raging call of Kanon shook the UDX.

KANON!!

KANON!!

KANON!!

The Kanon event was a highpoint.

When I would bring a name to the editorial department and just sit and wait until the person in charge of me arrived.

SPACED OUT

Even though it was not too long ago

Waiting an hour every time.

When I see it...

When I see a scene like that...

The idea that "some are accepting my manga" is something I find hard to believe.

After more than ten years of sitting glumly

even now!!

A complete pessimist

bubbles up strongly from within me.

Love for those people

Tons of people are involved with my manga.

The posters are...

The airdate is...

The OPs...

Nice!

But now,

One way or another, I just wanted to be useful somehow.

Those feelings prompted me to make appearances at various places.

Ghoulish

Gift-Giving

Old Man

The folks at Manglobe tried as hard as they could with it.

What do we do here?

This is impossible~

Let's do our best~

Even when presented with an amateur storyboard,

Taka

So

Oka

Sorry.

Oka-san, filling in for Souga-san who became busier due to additional work.

↑ These feelings later became the basis of the Shiori reconquering arc.

However, it's completely unusable like this.

This is a storyboard that has the essence of a manga name.

Start loose

You can control it more or less to a precise degree.

Since all the components of a manga are managed by one person...

Squeeze

Tighten it as you draw!!

So you don't have to draw anything that you don't want to draw.

My Storyboard
(The real thing doesn't have cut numbers or seconds written in)

For example, in manga even the camera is subject to the author's opinion.

If you don't plan well from the start, miscalculations occur as you go along.

Plan

Script

Storyboard

On the other hand, since there are a lot of people involved with an anime...

Division of Labor

You have to note the positioning between the characters and the camera.

The storyboard that Souga-san fixed

But in anime, a person who was there previously doesn't just suddenly disappear.

It's an extremely important element...

Nimori-san, who handles the setting. (A capable woman)

Storyboard~ Storyboard~

Above all else, the storyboard is a huge blueprint!!

Mi

Here you go.

Souga-san, who handles the direction, ended up doing all of the work.

Memos about placement

Since my storyboards are astonishingly lacking in information...

Ah, jeez

So many

So

Sorry.

Overjoyed, ended up writing over a hundred pages in one day.

Is it okay to leave this to an amateur...?!

Skritch

Ah~

Ah~

Skritch

Skritch

Skritch

Mi

Do it in moderation...

There were really a lot of fun times. Director Takayanagi. Kurata-san. Watanabe-san. Takahashi-san. Iwanami-san. Matsuo-san. Everyone from the cast. Masaru-san and everyone on the opening theme team. The artists who created the episode preview backgrounds. Matsuda P. Shougakukan. Everyone from Geneon and TV Tokyo. Above all else, everyone at Muglobe!!

I'd like to express my gratitude to everyone who was involved in the anime!!

..and if possible...

To Be Continued!

Continue!!!

HE HE HE HE...

Continue Continue!!

Matsu

Masaru-san Matsuda P

Masaru

The music team will still go on.

More about the music on Tomiki Wakaki's blog...

The primary victim

Uuuh.

Kurata-sannn, how did you like my story?

Kura

Alright, alright.

Well, even though there were times when it had the opposite effect...

I started visiting places where I could see amazing pros at their jobs up close.

There was a bit of noise just now.

Along the way, for my own research...

Amazing ears...

Iwanami-san

← Shorts

This guy was the biggest annoyance

It was stimulating and incredibly fun.

Everywhere I went, everyone was so nice.

Did everyone enjoy it? I wonder how the segment I handled turned out...

And with this DVD, the current team will go their separate ways for now.
